KYLE MARTIN PHOTO

WELCOME

In case my company name didn't give it away, I'm Kyle Martin.

I've been photographing weddings for a while now. 10 years to be exact. And I don't just like to photograph weddings. I love to.

I'm totally honored that you're interested in having me shoot your wedding. My style is simple: a mix of photojournalism and lifestyle photography that reflect the fun and energy from one of the most important days of your life. You'll be left with great images that you, your friends, and family will cherish for many years.

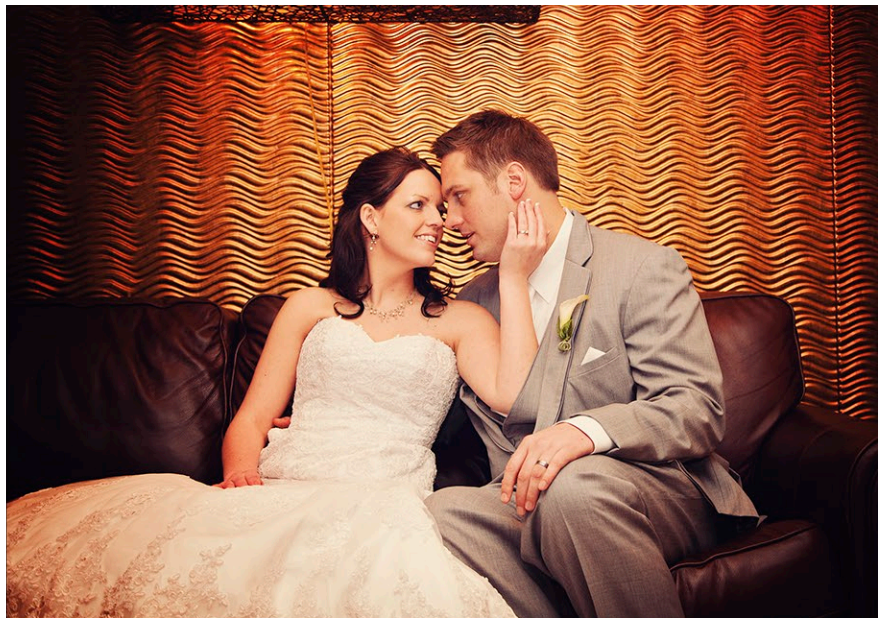

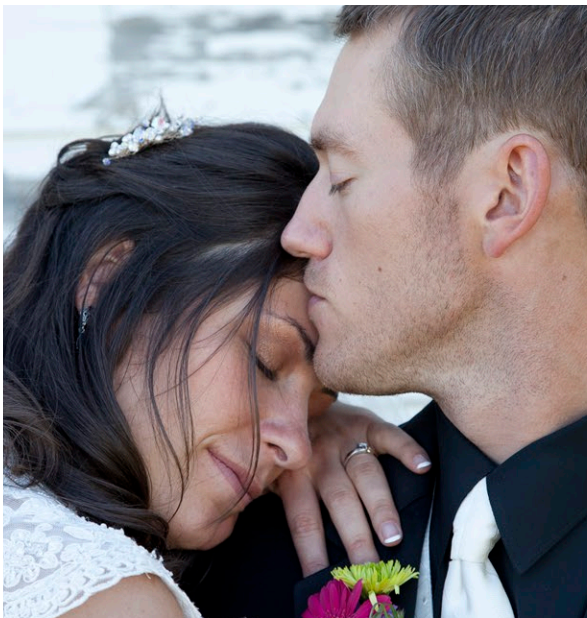

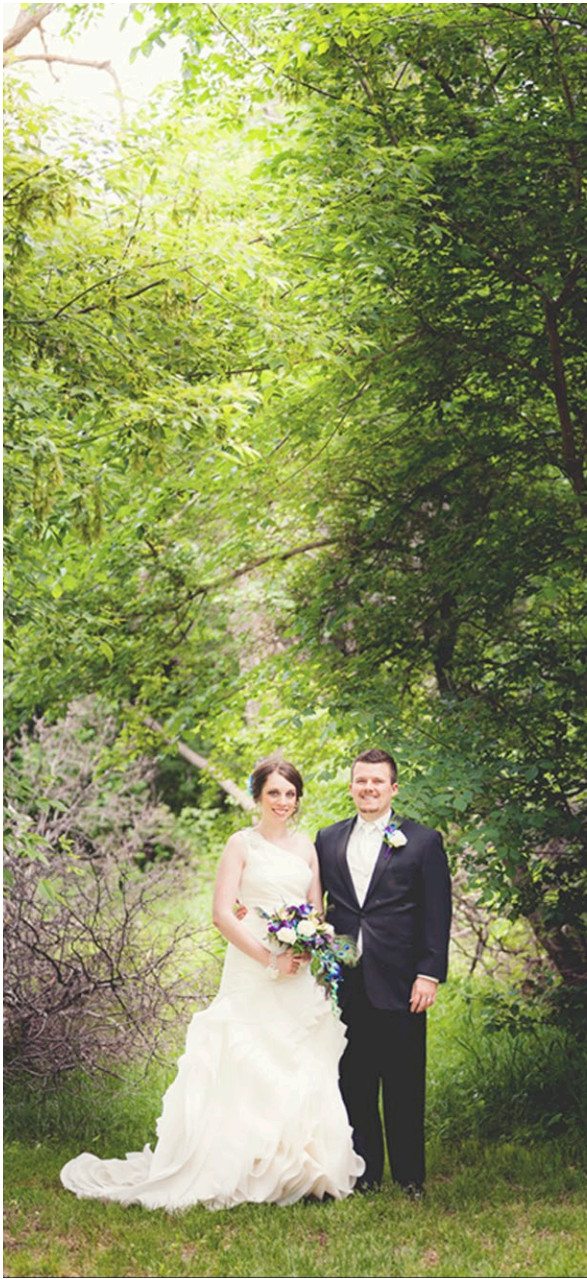

In this guide you'll find information on my packages and more. If you have any further questions, please don't hesitate to ask.

I look forward to talking soon. Thanks again and all the best!

FAQ

Q: What do I need to book my wedding with you?

A: I require a 50% downpayment at time of booking to secure your date in my calendar. The remaining 50% is due 30 days before your wedding date. For couples choosing to pay in full, I offer a \$200 discount off my deluxe package and \$100 off my basic package.

Q: I'm getting married out of town. Do you travel?

A: Yes! I do ask that for engagement sessions & weddings that require travel in excess of 75 miles from Bismarck that lodging is provided.

Q: You include digital files right?

A: Yep! All packages include your digital files on an engraved USB thumb drive with a custom case (that looks awesome to display). I color correct/enhance your images so they're ready for print right from your online gallery or thumb drive.

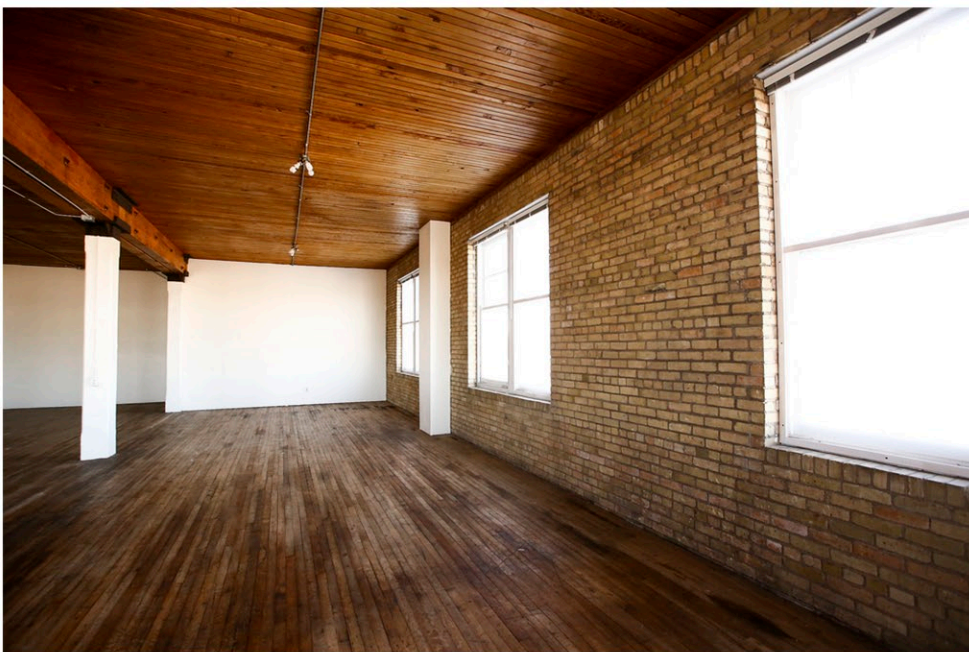

FAQ (cont.)

Q: What if it rains on my wedding day?

A: If you're getting married in Bismarck/Mandan, a great option is to use Co-Studio - a modern downtown studio space that I often use for photo shoots. It features brick interiors and hard wood floors. It easily accomidates large groups and is perfect for when the weather tanks or winter weddings.

There's a 1-hour minimum rental with Co-Studio, which costs \$85 per hour. If you opt to go this route, the rental price will be billed to you.

If you are not getting married in Bismarck, during our consultation we'll discuss indoor options as a back-up, just in case the weather decides to bomb.

FAQ (cont.)

Q: Guide me through a typical timeline, from booking to files in my hand.

A: At your time of booking, we'll discuss your needs and how to best approach them. After signing your contract and sending your deposit, we'll discuss potential times for your engagement shoot. This is also your time to tell me about yourself: you and your significant other's hobbies, personalities, etc.

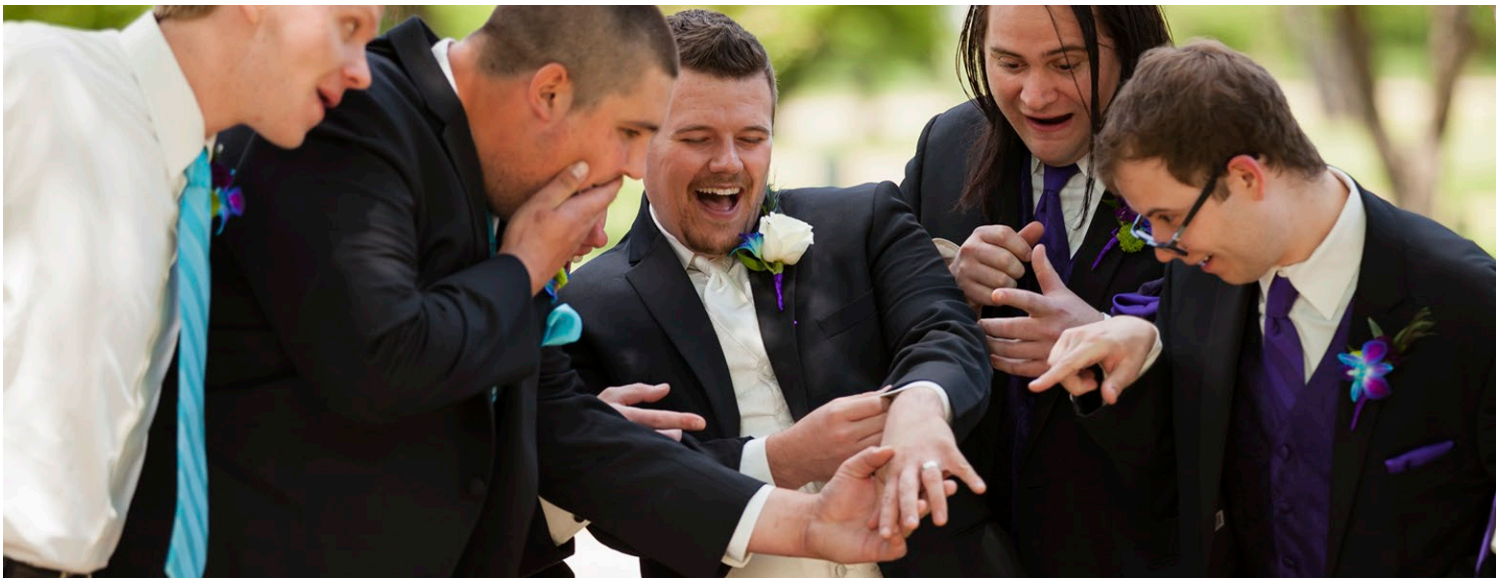

We'll have a great chance to get to know each other during your engagement session. Six weeks later, you'll be emailed your online engagement session download gallery.

A month before your wedding, we'll meet to discuss your wedding day and offer a creative consultation for the day's schedule.

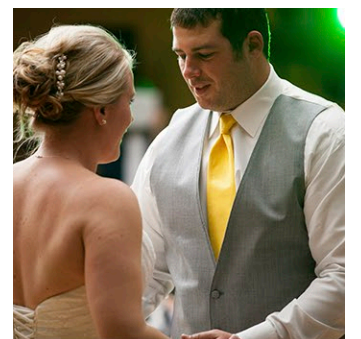

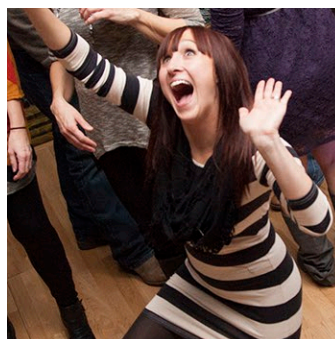

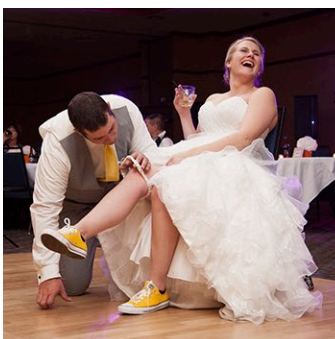

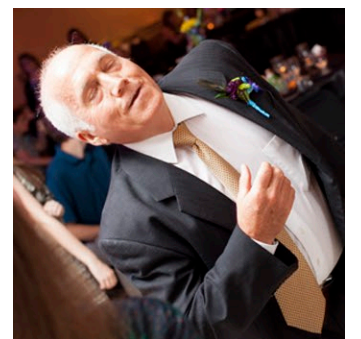

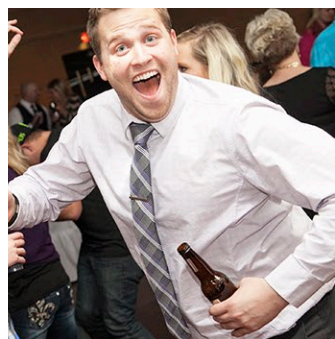

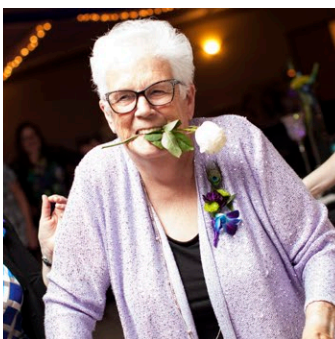

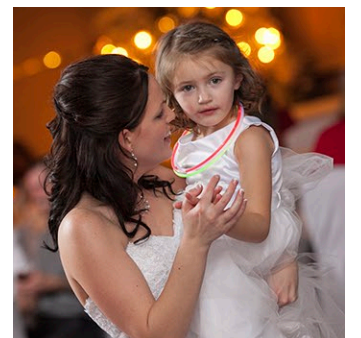

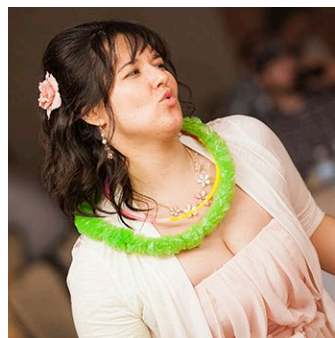

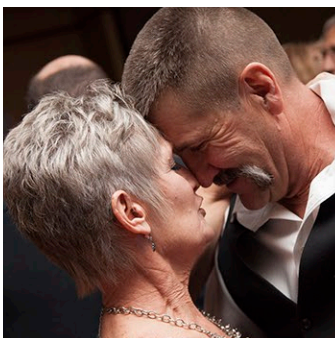

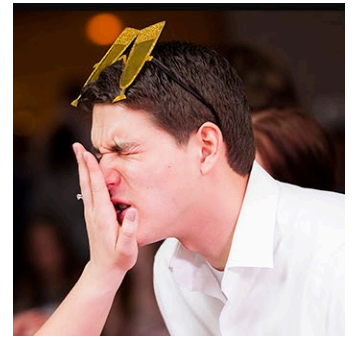

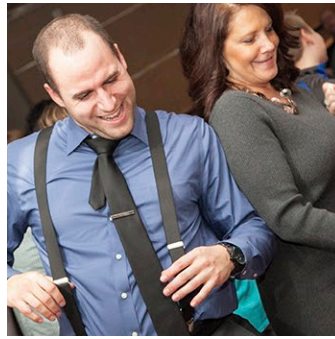

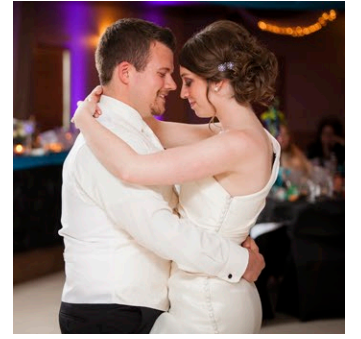

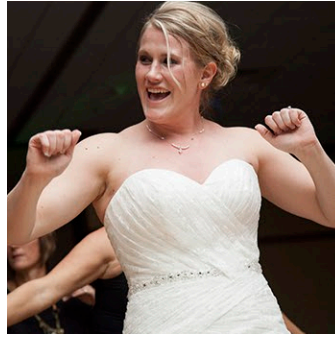

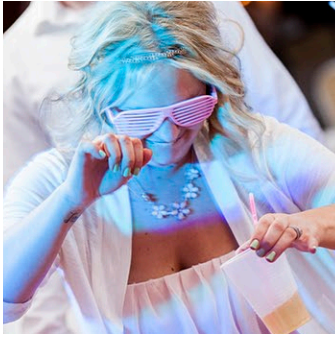

Finally, on your big day, relax and have fun while I shoot.

One week later, expect some preview images to appear on social media.

6-12 weeks later, you'll have your final images and package offerings in hand. :-)
